In the hub of Europe

# Profile

Profound legal expertise  
and continuing education  
are a matter of course

for our team!

We can advise you in German, English, French, Spanish, Russian, and Ukrainian. We know and live the culture of our international clients and understand their specific market and industry. As a result, we can quickly identify any concerns and find goal-oriented solutions.

Internationally, we primarily focus on Swiss and Russian clients. We provide legal counsel to the Chamber of Commerce of Switzerland, Austria, and Liechtenstein, are accredited as experts at the SGE (Switzerland Global Enterprise) and are a member of the Austrian-Russian Friendship Society (ORFG).

We discuss the expected costs with our clients in detail in advance.

# Core competencies

We provide comprehensive consulting in the business world mainly in the following areas:

- + Labour Law
- + Contract Law
- + Distribution Law
- + Company Law
- + Mergers & Acquisitions
- + Trademark Law
- + Intellectual Property (Competition Law)
- + Debt Recovery

- + Medical Liability Law
- + The Law of Lawyers' Liability
- + Construction Law and Building Contract Law
- + Real Estate Law
- + Pharmaceutical and Medical Products Law
- + Aliens Law
- + International Law (Swiss Law)
- + Tort Law and Product Liability Law
- + Arbitration
- + Private Foundation Law

To us, it is especially important that we do not stick to these fields of law only. We work across specialties and systems in the interests of our clients and link economic pragmatism with sound legal work.

# Our network

In order to provide our clients with legal assistance (including tax and auditing services) we are cooperating with our national and international network partners.

Particularly important for our clients is the fact that we know all our network partners personally and we have been cooperating on cross-border engagements for years already.
